I, the petitioner above named, beg to respectfully submit that your gracious honour is aware from my petition dated the 4th July 1930 addressed to your honour the circumstances under which I had been to the Tibbi College at Delhi, for the study of the Unani Medical Profession, while the matter of the grant of scholarship was all along under correspondence and I have completed my two years course and passed the same successfully at Delhi, and that what little resources I had I have spent and am now miserably destitute to continue further studies of two more years at that College. without the help of the Government and that since I was told that the Unani Medical College being locally held at Mysore I had also explained that the course of studies at Delhi Tibbia College and the course of studies at Mysore, being different, that I should complete the more two years course only at Delhi, and prayed for your honour's help in my above petition for grant me scholarship for these two more years studies, which your honour sent to the Financial Secretary to Government, who has forwarded the same further to the Muzrai Commissioner in Mysore, and that this Officer was the Officer, who previously told me that no scholarship could be given, he again informed me personally the same negative reply & I am left helpless now.

That I therefore pray your honour to take personal interest to help me to complete my two more years course at Delhi

13

Delhi and make me a man in the world, else, I will be completely ruined, as I have already spent all my resources and become penniless and will also become unfit for the profession, being half trained

Awaiting the favour of your gracious kind help.

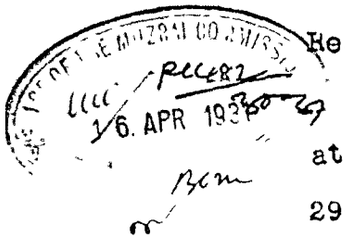
Delhi.



Respected Sir,

Most humbly I beg to invite your kind attention to the Financial Secretary's Memo No.42 Muz. 29-30-2 dated 9th July 1930, informing me that a petition of mine, which I submitted soliciting a state scholarship to enable me to prosecute my studies during the two final years at the Tibbi College Delhi, had been sent to you for your favourable orders.

My pecuniary circumstances since the submission of the above application have become even more straitened, so much so that unless I can get some help from the State, it will not be possible for me to complete the course at the Unani Tibbi, College, Delhi, and as I am now in the III Year class, even the time, energy and money that I have already spent here will all be wasted. While I have been here I have passed every examination with credit. The authorities here can testify this. I have also incurred a certain amount of debt and now to be faced with the despairing prospect of my studies being out short at this their final stage will be the greatest calamity of my life, in fact, that can befall any student. I therefore look up for help to your generosity and to the State of which I am a subject, where I was born and bred and where all my life interests lie and which I have served for 11 years in its Educational department, and hope that your honour will not fail this humble servant of yours at this time of his greatest need.

With your permission I would state that two state

scholarships those of Abdul Rashid and Abdul Karim are falling vacant this year.

Before finishing this petition I again solicit that your honour will be pleased to consider the extreme gravity of my position and grant me one of these two scholarships from the current year and earn for your ownself and for the State the petitioners respectful thanks and prayers during all his life.

I am

Respected Sir,
